EDUCATION

<u>Institution</u>	<u>Concentration</u>	<u>Degree/Date</u>
Raymond Walters General & Technical College Blue Ash, OH	Nursing	AAS, 1976
University of Cincinnati College of Nursing & Health Cincinnati, OH	Nursing	BSN, 1981
University of Cincinnati College of Nursing & Health Cincinnati, OH	Nursing: Pediatric Nurse Practitioner (PNP); Minor-Nursing Education	MSN, 1983
Rush University College of Nursing Chicago, IL	Community Health Nurse Practitioner & Researcher	PhD, 2003

ACADEMIC EXPERIENCE

<u>Institution</u>	<u>Position</u>	<u>Dates</u>
Wright State University	Professor	2000-present
Wright State University	Associate Professor	1994-2000
Wright State University	Assistant Professor	1988-1994
Northern Kentucky University	Assistant Professor	1984-1988
Bethesda School of Nursing	Instructor	1983-1984

ADMINISTRATIVE EXPERIENCE

<u>Institution</u>	<u>Major Responsibilities</u>	<u>Dates</u>
Wright State University	Director, Community/Public Health Nursing Major	September 2009-June 2010
Wright State University	Director of Nursing Research	September 2008-August 2012

CURRENT POSITION

I am responsible for teaching a variety of courses across the curriculum (i.e., undergraduate nursing research and evidence-based practice (EBP), graduate-level nursing research and EBP, health policy and politics, clinical supervision of senior students in community/public health nursing, population health in the master's and DNP program, scientific basis of nursing in the DNP program, supervising independent studies, chairing and serving on DNP committees in a teaching-intensive university with a major goal of fostering the learning and educational needs of students from diverse backgrounds. As senior faculty in the College of Nursing and Health (CONH), I serve on almost all CONH committees, recent chair of Student Affairs Committee, current chair of the college P&T committee, and alternate on university governance (P&T Committee). In addition, I am expected to spend at least one-day per week in pursuing my own program of community-based research with minority groups and vulnerable populations.

PROFESSIONAL NURSING EXPERIENCE
